Ex. 5 Deliberative Process (DP)

Nina,

This is new to you. I also attached a briefing paper we put together on the topic. I don't know if you have any staff that are up on the Lead and Copper Rule requirements. WVDHHR asked us to review their draft administrative order for this situation in Clarksburg, WV. If you or your staff have time to review, comments will be welcome. We'll be compiling our comments and sending to WV this afternoon. We have a call with them at 2:00 pm.
